

PLANT ADAPTATION SEEK & FIND

For Camp Cooper videos and more fun activities, point your smart phone camera at this QR code and visit our website.

Venture out to your yard, or in your neighborhood (with an adult of course) and check off all the plant adaptations you can find.

C = Conserving Water	S = Storing Water	G = Getting Water	W = Waiting for Water
<input type="checkbox"/>  Protection from being eaten	<input type="checkbox"/>  Structure to hold liquids	<input type="checkbox"/>  Deep roots into ground water	<input type="checkbox"/>  Rapidly growing new leaves
<input type="checkbox"/>  Scabbing for closing damaged areas	<input type="checkbox"/>  Spongy insides to absorb liquids	<input type="checkbox"/>  Shallow roots closer to rain water	<input type="checkbox"/>  Buds ready to grow quickly
<input type="checkbox"/>  Tiny leaves that stay cooler from the air	<input type="checkbox"/>  Structure to hold liquids	<input type="checkbox"/>  Deep roots into ground water	<input type="checkbox"/>  Rapidly growing flowers
<input type="checkbox"/>  Waxy coating to prevent evaporation	<input type="checkbox"/>  Structure to hold liquids	<input type="checkbox"/>  Shallow roots closer to rain water	<input type="checkbox"/>  Plants sleep (dormant) until there's water
